under the
Public Health Act 2010

I, Brad Hazzard, the Minister for Health and Medical Research, under section 7 of the Public Health Act 2010, make the following Order.

Dated 24 June 2020 (original order).
As amended on 29 June 2020 at 9 pm and 7 August 2020.

Minister for Health and Medical Research

Explanatory note
The object of this Order is to deal with the public health risk of COVID-19 and its possible consequences by giving a Ministerial direction that a person who arrives in New South Wales by aircraft and has been in a country other than Australia within 14 days before that arrival must undertake mandatory quarantine for a period of 14 days. The Order makes a different direction for the flight crew of aircraft allowing those persons to quarantine at their residence or accommodation before departing from New South Wales by aircraft.

Section 10 of the Public Health Act 2010 creates an offence if an individual fails to comply with a direction with a maximum penalty of imprisonment for 6 months or a fine of up to $11,000 (or both) plus a further $5,500 fine each day the offence continues. Corporations that fail to comply with a direction are liable to a fine of $55,000 and $27,500 each day the offence continues.

Editorial note
