

ARMIDALE WATER SUPPLY ACT.

Act No. 32, 1922.

George V, An Act to sanction the carrying out of certain
No. 32. works to augment the water supply of the
Municipality of Armidale; and for purposes
connected therewith. [Assented to. 24th
November, 1922.]

BE it enacted by the King's Most Excellent Majesty,
by and with the advice and consent of the Legis-
lative Council and Legislative Assembly of New South
Wales in Parliament assembled, and by the authority of
the same, as follows:—

- Short title.** **1.** This Act may be cited as the "Armidale Water
Supply Act, 1922."
- Works
sanctioned.** **2.** The carrying out of the works described in the
Schedule to this Act is hereby sanctioned, and the
Secretary for Public Works is empowered to carry out
the said works.
- The plan.** **3.** The plan of the said works is the plan marked
"Armidale Water Supply, Dumaresq Creek Scheme,"
signed by the Secretary for Public Works, and counter-
signed by the Chief Engineer for Water Supply and
Sewerage, and deposited in the public office of the said
Secretary.
- Cost.** **4.** The cost of carrying out the said works is estimated
at thirty-two thousand pounds (exclusive of land
resumptions), and such estimated cost shall not under
any circumstances be exceeded by more than ten per
centum.

SCHEDULE.

Government Railways (Supply of Electricity) Act.

181

SCHEDULE,

**George V,
No. 32.**

The construction of an earth dam on Dumaresq Creek, 50 feet high, with a concrete core, to impound about 200,000,000 gallons; a pipe line about 1,386 feet long and 10 inches in diameter from the dam to the present gravitation main; and an additional service reservoir with a capacity of about 600,000 gallons, and all works incidental thereto, such works to be completed under the direction of the Secretary for Public Works; the whole to be subject to such modifications as the Constructing Authority may think advisable.
