SCHEDULE 2.

(Sec. 6.)

SUPPLEMENTARY PAY-ROLL TAX.

PART I.

GENERAL.

Interpretation.

1. (1) In this Schedule, except in so far as the context or subject-matter otherwise indicates or requires—

“designated group employer”, in relation to a group, means the member of that group who, under clause 7, is for the time being the designated group employer in respect of that group;

“prescribed month” means any of the months of September, October, November or December, 1981, or January, February, March, April, May or June, 1982;

“Principal Act” means the Pay-roll Tax Act, 1971;

“taxing period” means the period commencing on 1st September, 1981, and ending on 30th June, 1982.

(2) This Schedule shall be read and construed with, and as if it formed part of, the Principal Act and, in particular, as if a reference to tax in that Act or to pay-roll tax in section 18, 32, 36, 37 or 42 of that Act included a reference to pay-roll tax payable under this Schedule and the provisions of the Principal Act shall have effect as if this Schedule formed part of the Principal Act.

(3) Obligations or liabilities imposed pursuant to this Schedule, in relation to the furnishing of returns or the payment of pay-roll tax, are in addition to, and not in substitution for, obligations or liabilities imposed under the Principal Act.

(4) If pay-roll tax payable under this Schedule is not paid before the expiration of the time specified in clause 3 (2) or clause 7 (1), as the case may require, or such further time as may be allowed by the Commissioner under section 21 of the Principal Act, section 22 of the Principal Act applies in respect of that pay-roll tax in the same way as it applies to and in respect of pay-roll tax payable under that Act.

(5) Nothing in subclause (4) affects the application of section 22 of the Principal Act in respect of further tax or additional tax payable under section 18 of that Act in respect of pay-roll tax payable under this Schedule.

Pay-roll Tax (Amendment).

SCHEDULE 2—*continued.*SUPPLEMENTARY PAY-ROLL TAX—*continued.***Returns.**

2. (1) Where the wages (disregarding foreign wages) paid or payable by an employer or the total of the wages (disregarding foreign wages) paid or payable by the members of a group, as the case may be, during a prescribed month (not being June, 1982) are or is \$83,334 or more, the employer or each of the members of the group, as the case may be, shall within 7 days after the close of that month or, where that month is September, 1981, within 21 days after the close of that month, furnish to the Commissioner, in accordance with the form and in the manner prescribed, a supplementary return relating to that month, and shall specify in that return any taxable wages that were paid or payable by him during that month.

(2) Where the wages (disregarding foreign wages) paid or payable by an employer or the total of the wages (disregarding foreign wages) paid or payable by the members of a group, as the case may be, during the taxing period are or is \$833,334 or more, the employer or each of the members of the group, as the case may be, shall within 21 days after the close of the month of June, 1982, furnish to the Commissioner, in accordance with the form and in the manner prescribed, a supplementary return relating to that month and to the adjustment of pay-roll tax paid or payable under this Schedule by the employer or member of the group, as the case may be, in respect of the taxing period, and shall specify in that return any taxable wages that were paid or payable by him during that month and the taxing period.

(3) Where the Commissioner is of the opinion that it would be unduly onerous to require an employer to furnish supplementary returns—

- (a) within the time specified in subclause (1) or (2), as the case may require, he may, by notice in writing, vary the time within which that employer is required to furnish returns in pursuance of subclause (1) or (2); or
- (b) relating to each prescribed month, the Commissioner may, by notice in writing, authorise that employer to furnish returns relating to such periods as may be specified in the notice,

and the employer shall, while that notice remains unrevoked, furnish returns accordingly.

(4) The Commissioner may, at any time, by notice in writing, revoke any notice given in pursuance of subclause (3).

“prescribed amount” means \$834;

“taxable wages” does not include taxable wages paid or payable by a member of a group.

(2) Subject to this clause, where the wages (disregarding foreign wages) paid or payable by an employer during a prescribed month are \$83,334 or more, the employer shall, within the time within which he is required by this Schedule to furnish a supplementary return relating to that month, pay to the Commissioner, as pay-roll tax, an amount equal to 1 per cent of the taxable wages paid or payable by that employer during that month.

(3) For the purpose of ascertaining the pay-roll tax payable under this Schedule by an employer who pays or is liable to pay taxable wages for the whole of a prescribed month, but does not pay and is not liable to pay interstate wages during that month, there shall be deducted, for that month, from the amount of the pay-roll tax calculated in relation to that employer, in respect of that month and in accordance with subclause (2), the prescribed amount, reduced by \$1 for each \$10 (disregarding any remainder) by which the amount of the taxable wages (in whole dollars) paid or payable by that employer during that month exceeds \$83,334.

(4) For the purpose of ascertaining the pay-roll tax payable under this Schedule by an employer who pays or is liable to pay wages during a prescribed month and pays or is liable to pay taxable wages for part only of that month, but does not pay and is not liable to pay interstate wages during that month, there shall be deducted, for that month, from the amount of pay-roll tax calculated in relation to that employer, in respect of that month and in accordance with subclause (2), the amount that bears to the prescribed amount the same proportion as the number of days in that part of that month bears to the total number of days in that month, reduced by \$1 for each \$10 (disregarding any remainder) by which the amount of the taxable wages (in whole dollars) paid or payable by that employer during that month exceeds the same proportion of \$83,334.

Pay-roll Tax (Amendment).

(6) For the purpose of ascertaining the pay-roll tax payable under this Schedule by an employer who has served on the Commissioner notice under subclause (5), there shall, subject to subclause (7), be deducted, for a prescribed month (being the prescribed month ending last before the day on which he served that notice on the Commissioner or any subsequent prescribed month), from the amount of pay-roll tax calculated in relation to that employer, in respect of that month and in accordance with subclause (2), the amount nominated in that notice.

(7) The Commissioner may, on an application made to him in writing by an employer who pays or is liable to pay taxable wages and interstate wages during any prescribed month or of his own motion in relation to such an employer, at any time, make a determination specifying an amount, not exceeding the prescribed amount, that may be deducted for any prescribed month specified or referred to in the determination (being a prescribed month commencing before, or after, or the prescribed month in which, the determination is made) from the amount of pay-roll tax calculated in relation to that employer, in respect of that month and in accordance with subclause (2), and there shall be deducted, for any such prescribed month, from the amount of the pay-roll tax calculated in relation to that employer, in respect of that month and in accordance with subclause (2), the amount so specified.

(8) The Commissioner may, at any time, by instrument in writing, revoke a determination made under subclause (7) and any such revocation shall have effect as on and from the first day of the prescribed month specified in the instrument, whether that prescribed month is before, but not before the date of the determination, or after, or the prescribed month in which, the instrument is executed by him.

- (a) if he has conducted that trade or business in Australia during the whole of the taxing period—as an employer throughout the taxing period; or
- (b) if he has conducted that trade or business in Australia during part only of the taxing period—as an employer during that lastmentioned part of the taxing period.

- (b) that employer shall, where the amount of pay-roll tax paid or payable under this Schedule by that employer when he made the returns under this Schedule relating to the taxing period is less than the annual amount of pay-roll tax in relation to that employer for the taxing period, pay to the Commissioner as pay-roll tax, within the period during which he is required to furnish a return under this Schedule in respect of the month of June in the taxing period, an amount equal to the difference.

(3) Where an employer, who has ceased to pay wages or has become a member of a group, as referred to in subclause (2), in the taxing period, subsequently pays or is liable to pay taxable wages or interstate wages during the taxing period otherwise than as a member of a group, clause 5 applies to and in respect of him as if the reference in clause 5 (2) to the amount of pay-roll tax paid or payable under this Schedule by that employer included a reference to any pay-roll tax paid or payable by that employer under subclause (2).

PART III.
