28. The sum of \$326,140,228 is hereby appropriated out of the Consolidated Fund to provide for the payments specified in Schedule 2 made in anticipation of appropriation by Parliament during the year 1986–87 under section 22(1) of the Public Finance and Audit Act 1983.

PART 3—GENERAL

Variation of authorised expenditure from Consolidated Fund

29. (1) Except as provided by Division 4 of Part II of the Public Finance and Audit Act 1983 and subsections (2) and (3) and section 32, expenditure of the sums appropriated under sections 6 to 26, inclusive, shall not be incurred on any item or program shown in the Estimates of the Consolidated Fund in excess of the sum provided therefor in those Estimates.

(2) Where an item or program referred to in subsection (1) includes or comprises amounts appropriated otherwise than by this Act—

- (a) nothing in subsection (1) restricts the lawful expenditures of those amounts; and

Appropriation 1987

(b) subsection (1) applies to the sums provided for in the Estimates exclusive of those amounts.

(3) If the exigencies of the Public Service render it necessary, the Treasurer or a person appointed by the Treasurer may, in respect of the appropriations referred to in subsection (1), authorise—

(a) the transfer of a specific amount from the recurrent services appropriation for any item or program to the recurrent services appropriation for any other item or program within the same organisational unit; and

(b) the transfer of a specific amount from the capital works and services appropriation for any item or program to the capital works and services appropriation for any other item or program.

(4) Nothing in subsection (3) enables the authorisation of the transfer of an amount appropriated otherwise than by this Act.

(5) Nothing in subsection (3) empowers the Treasurer or a person appointed by the Treasurer to authorise the transfer of any sum in augmentation of or as an addition to any salary or wages the amount of which has been fixed by law.

(6) The Treasurer shall cause the Auditor-General to be informed of every transfer made under subsection (3).

Transfers in relation to commitments

30. (1) If goods or services chargeable to an appropriation under this Act have not been paid for in whole or in part by 30 June 1988, the Treasurer, a person appointed by the Treasurer or a person specified for the time being in a Treasurer's direction issued under section 9 of the Public Finance and Audit Act 1983, if the Treasurer or person is of the opinion that the goods or services might reasonably have been expected to be paid for by 30 June 1988, may approve the transfer of the amount involved to the credit of a suspense account within the Special Deposits Account, and the amount so transferred shall thereafter, except as provided by subsection (3), be applied in or towards meeting the cost of the goods or services.

(2) Any amount transferred under subsection (1) shall, notwithstanding section 23(1) of the Public Finance and Audit Act 1983, be deemed to have been applied during the year 1987-88.

(2) The Treasurer may revoke, at any time, an appointment made under section 29 or 30.

Power to vary annual appropriations

(2) If, under subsection (1), the Treasurer amends the Estimates of the Consolidated Fund to provide for a reduction in the amount of a specific purpose payment, appropriations for the year 1987-88 for the purpose of the specific purpose payment may be reduced accordingly.

(3) The Treasurer shall lay or cause to be laid before the Legislative Assembly, within 6 sitting days of the day on which the estimates of the Consolidated Fund are amended under subsection (1), a copy of those estimates as so amended.
