

No. , 1916.

# A BILL

To sanction the construction of a system of sewerage for the municipality of Wollongong; and for purposes consequent thereon or incidental thereto.

[MR. J. H. CANN;— , 1916.]

**W**HEREAS in accordance with the provisions of Preamble. the Public Works Act, 1912, the Legislative Assembly did, by resolution, declare that it was expedient to carry out a certain work, namely, the construction of a system of sewerage for the municipality of Wollongong: **5** And whereas on the passing of the said resolution a 75147 **23—(2)** statutory

statutory duty was by the said Act imposed on the Minister to introduce a Bill into the said Assembly to sanction the carrying out of the said work: Be it therefore enacted by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled, and by the authority of the same, as follows:—

- Short title.      **1.** This Act may be cited as the "Wollongong Sewerage Act, 1916." 10
- Work sanctioned.      **2.** The carrying out of the work (more particularly described in the Schedule to this Act) is hereby sanctioned, and the Minister for Public Works, or the member of the Executive Council for the time being performing the duties of the said Minister, is hereby authorised to undertake and carry out the said work, subject to the provisions of this Act, and for that purpose shall be and have the powers of a Constructing Authority within the meaning of the Public Works Act, 1912. 15  
20
- Plan of work.      **3.** The plan of the said work is the plan marked "Wollongong Sewerage Works," signed by the Minister for Public Works, and countersigned by the Chief Engineer for Water Supply and Sewerage, and deposited in the public office of the said Minister. 25
- Cost, how to be defrayed.      **4.** The cost of carrying out the said work, estimated at forty-three thousand five hundred pounds, may be defrayed from such loan votes as are now or may hereafter be applicable to that purpose, or from appropriations of the Public Works Fund, or partly from such votes and partly from the said appropriations. 30

---

SCHEDULE.

THE construction of main and reticulation sewers, pumping stations, rising mains, treatment works, lines for transmission of electric current for power, telephone, or signalling purposes, and all works incidental thereto, necessary for the sewerage of the Municipality of Wollongong, subject to such alterations and modifications as may be considered desirable by the Constructing Authority. 35
