

1991—No. 129

**EXHIBITED ANIMALS PROTECTION ACT 1986—
REGULATION**

(Relating to certain fees payable for animal display establishments within
state recreation areas)

NEW SOUTH WALES

[Published in Gazette No. 45 of 15 March 1991]

HIS Excellency the Governor, with the advice of the Executive Council,
and in pursuance of the Exhibited Animals Protection Act 1986, has been
pleased to make the Regulation set forth hereunder.

TIM MOORE
Minister for Environment.

The Exhibited Animals Protection Regulation 1989 is amended by
omitting clause 14 (5) and by inserting instead the following subclause:

(5) If:

- (a) the applicant for an applicable authority is the council of a city,
municipality or shire and the application is made in respect of an
animal display establishment for admission to which there is no
charge; or
- (b) the applicant for an applicable authority is a trustee of a state
recreation area (within the meaning of the National Parks and
Wildlife Act 1974) and the application is made in respect of an
animal display establishment for admission to which there is no
charge other than the charge (if any) for admission to that state
recreation area,

the application fee is:

- (c) if the application is for an applicable authority referred to in
subclause (1) (a) or (b) and the application does not relate to a
minor establishment—\$500; or

1991—No. 129

- (d) if the application is for an applicable authority referred to in subclause (1) (a) or (b) and the application relates to a minor establishment—\$250; or
- (e) if the application is for an applicable authority referred to in subclause (1) (c)—nil.

EXPLANATORY NOTE

At present, the Exhibited Animals Protection Regulation 1989:

- (a) requires a local council, when applying for a licence for an animal display establishment that is run by the council and for admission to which there is no charge, to pay a fee of \$500 or \$250 (depending on the size of the display); and
- (b) permits the council to renew the licence without payment of a fee.

The object of this Regulation is to amend the Exhibited Animals Protection Regulation 1989 so as to subject state recreation areas to the same requirement and grant them the same permission.
