CLEAN AIR ACT 1961—REGULATION

(Relating to the control of refuse burning)

NEW SOUTH WALES

[Published in Gazette No. 134 of 27 September 1991]

HIS Excellency the Governor, with the advice of the Executive Council, and in pursuance of the Clean Air Act 1961, has been pleased to make the Regulation set forth hereunder.

T. J. MOORE
Minister for the Environment.

Commencement

1. This Regulation commences on 31 October 1991.

Amendments

2. The Clean Air (Control of Refuse Burning) Regulation 1988 is amended:

- (a) by omitting from clause 4 (3) the words “Municipality of Manly”;
 - (b) by inserting in Part 2 of Schedule 1 in alphabetical order the following words:
Camden (being that part which consists of land that is within a residential zone);
 - (c) by inserting in Part 2 of Schedule 2 in alphabetical order the following words:
Camden (other than that part which consists of land that is within a residential zone);
 - (d) by omitting from Part 2 of Schedule 3 the word “Camden”.
-

EXPLANATORY NOTE

The object of this Regulation is to amend the Clean Air (Control of Refuse Burning) Regulation 1988 so as to impose further restrictions on the burning of refuse in the Municipalities of Camden and Manly.

After the commencement of the amendments:

- (a) in those parts of Camden that are zoned residential, it will be unlawful to burn refuse except as fuel for cooking on an open fire or for other open burning in limited circumstances specified in the Regulation; and
 - (b) in other parts of Camden, the burning of refuse (other than domestic refuse produced by a single household) will be restricted to certain hours, and further restricted during bush fire danger periods; and
 - (c) in Manly, the burning of refuse in a home unit incinerator will be prohibited unless the incinerator meets the criteria for an “approved incinerator” as defined in the Regulation.
