Any person who is a resident of the area of the local authority or a ratepayer of the local authority is entitled to membership of the library free of charge.

(5) The Council may issue guidelines to local authorities for the purposes of this section.

(1) Section 10 does not affect the operation of any regulation or by-law relating to the library to the extent that it is not inconsistent with a requirement of section 10 that an entitlement be provided free of charge.

(2) Section 10 does not prevent a local authority from determining:

- (a) the maximum number of items of library material or the maximum number of items of library material of a particular class of library material that a person may borrow at any one time from the library for use on or away from the library premises, or

(3) A library committee shall exercise and perform its powers and duties subject to the control and direction of the local authority.

(4) The local authority may appoint any member of the committee to be the chairperson thereof and may from time to time remove such member from the member’s office as chairperson and appoint another member in the member’s place.

(2) Two or more local authorities may enter into an agreement whereby the local authority of one area undertakes to exercise, for and on behalf of the local authority or local authorities of any other area or areas, within such other area or areas, any specified power or duty of a local authority in relation to the provision, control and management of libraries, library services and information services.

(b) Any such agreement shall specify the terms and conditions upon which such power or duty shall be so exercised.

(3) Any agreement made under this section shall be made to have effect for a period to be specified
An agreement made under this section may provide that on termination of the agreement an adjustment shall be made of the interests of the several local authorities which are parties thereto in any property to the provision of which they have contributed and as to the mode in which the adjustment shall be arrived at.

It shall be a term of every agreement made under this section, whether the agreement is made before or after the day appointed and notified under section 2 (2) of the Library (Amendment) Act 1977, that any dispute arising under the agreement shall, on the application to the Council of a party to that agreement, be settled by arbitration by an arbitrator appointed by the Council.

12A Other arrangements relating to local libraries

Without limiting section 12, 2 or more local authorities may, with the approval of the Minister, enter into an arrangement for the provision, control and management of any library, library service or information service in the area of any local authority that is a party to the arrangement.

The Minister is not to approve such an arrangement without the agreement of the Minister for Local Government.

13 Subsidy

A local authority within whose area a library, library service or information service is provided, controlled and managed in accordance with this Act shall, subject to this Act, be entitled to subsidy under this section.

A local authority shall be eligible for subsidy under this section if during the year for which the subsidy is payable it expends out of rate income upon the provision, control and management of libraries, library services and information services in its area, not less than the larger of the following amounts, namely:

(a) An amount equivalent to the product of a rate upon the unimproved capital value of all ratable land within its area:

(i) in the case of an area that (immediately before the commencement of the Local Government Act 1993) was a municipality—of one-twentieth of one cent in the dollar,

(ii) in the case of an area that (immediately before the commencement of the Local Government Act 1993) was a shire—of one twenty-fifth of one cent in the dollar.

(b) An amount equivalent to the sum of ten cents for each person resident within the area of the local authority:

Provided that in any case where the amount referred to in paragraph (a) is greater than an amount equivalent to the sum of fifteen cents for each person resident within the area of the local authority, the local authority shall be eligible for subsidy if it so expends not less than the last-mentioned amount.

A local authority shall not be eligible for subsidy under this section unless the library, library service or information service so provided, controlled and managed is in the opinion of the Council reasonably capable of meeting the requirements of the persons resident in its area.
(3A) Where a local authority has failed to comply with the requirements of sections 10 and 10A during the year preceding the day on which it lodges an application for subsidy with the Council under section 14, the local authority shall not be eligible for subsidy for the year to which the application relates if the Minister so directs by order in writing served on the local authority.

(4) Where a local authority is eligible for subsidy under this section the subsidy payable to the local authority in respect of any year shall be:

(a) an amount equal to one-half of the total amount expended by the local authority on libraries, library services and information services in that year from:

(i) rate income, and

(ii) any advance against subsidy made by the Minister to the local authority in respect of that year, or

(b) an amount equivalent to the prescribed amount for each person resident within the area of the local authority,

whichever is the less.

(5) An advance against subsidy may be made by the Minister to a local authority in any year in respect of which the Minister considers the local authority would, on the basis of the local authority’s estimated expenditure on libraries, library services and information services in that year from rate income, be eligible for subsidy under this section.

(5A) An advance against subsidy is payable subject to such conditions and at such times as the Minister may determine.

(6) The regulations shall prescribe the manner in which the number of persons resident within the area of a local authority is to be ascertained for the purposes of this section.

14 Subsidy—how payable
